Description of Your Options for Physical Damage Coverage:

Specified Perils: Covers the automobile against loss or damage caused by certain specific perils. They are fire, theft, lightning, windstorm, hail, earthquake, explosion, riot, falling aircraft, rising water, or an accident to a vehicle or boat on which the automobile is being transported.

Comprehensive Coverage: Covers the automobile against loss or damage caused other than by Collision or Upset. The coverage is not confined to specific hazards and is therefore broader in scope than the alternative coverage - Specified Perils.

Collision or Upset: Covers damage caused by collision by another car, another object, or by upset.

In conjunction with the insurance coverages noted above, additional coverage extensions may also be available to enhance your protection. These options may include items such as; loss of use coverage, waiver of depreciation (available on newer vehicles), physical damage coverage for rented vehicles, among others. Your personal insurance professional at Stanhope Simpson will discuss available options with you when reviewing your quotation. However, if there are items you specifically wish to have included in your quotation, please feel free to indicate these below:
