Credit Scoring:

Some insurance companies offer additional premium reduction based exclusively on an applicant's overall credit score. The amount of the premium reduction can vary depending on your actual credit score, but it is possible to qualify for premium savings of up to 20% in addition to all other credits that would normally be applied.

Note: If used, the credit check does not have negative consequences for your ongoing credit reporting/scoring, and no credit report information is provided to Stanhope Simpson Insurance.

If you are interested in using credit scoring to potentially qualify for additional premium savings, please indicate below.
